WEBSITE DEVELOPER INTERNSHIP

OUR IDEAL CANDIDATE

We are currently looking for a Website Developer Intern who is passionate about working in a collaborative and creative environment. Candidate must be flexible, enjoy teamwork, be well organized, self-motivated, and have the ability to multitask with attention to detail.

Candidates must have strong communication and writing skills and the ability to develop collaborative working relationships with internal team and freelancers. Having the ability and willingness to take ownership and work independently under tight deadlines is a must.

This internship offers real-world agency experience and is unpaid for undergraduate students. TradeCraft will comply with specified requirements to allow the student to earn college class credit if applicable with the student's university. Interns are expected to work 20 hours per week - which varies based on semester schedules - to fulfill the internship. The internship is 70 business days in length, and each intern is given 5 days off to use at their discretion.

INTERNSHIP DESCRIPTION

- Assist in developing responsive websites and/or web applications
- Design and implement new website features and functionality based on client needs
- Participate in the design, coding, testing, and debugging of new or existing code
- Collaborate with front-end developers and graphic designers on userfacing elements
- Write HTML and CSS modifications ensuring consistent style across platforms and browsers
- Edit and make changes to front-end technologies, including HTML5, CSS3, Javascript, jQuery across multiple brand websites
